PRODUCT PORTFOLIO

SOUL TEXTURE

KOREAN CHARCOAL PANELS

Trend exclusive Korean Charcoal panels arrive in various textures, patterns, styles and colours. The layered material gives an embossed structure to the surface and adds volume and depth. The panels give character to interior spaces, enhancing homes, offices or commercial properties.

PLYWOOD & FLUSH DOOR

Trend Plywood & Flush Doors are bonded at high pressure and temperature, from high quality hardwood timber, while the block-board core is framed with seasoned hardwood battens and strengthened by a layer of cross-bands with face veneers. The doors are enduring and offer perfect finish.

PVC FABRIC PREMIUM LAMINATES

Trend PVC Fabric Premium Laminates have the texture, feel and impression to delight and inspire spaces. Flexible in application, the laminate slabs give a space makeover, perfect to enhance the interior with a wide, wide range.

EDGE BANDING TAPE

Trend Edge Banding tapes are much sought-after in shopping malls, residential houses and entertainment houses to decorate and cover fine edges of furniture. The entire range is designed by utilising the finest grade materials in tune with global market standards.

ARCYLIC HI-GLOSS LAMINATES

In a league of its own Acrylic Hi-Gloss panels enhance high definition design. The acrylic panels are smooth and soft to the touch as a feather and are resistant to fading, aberration and distortion. Anti-scratch and anti-corrosive.

HIGH DEFINITION DIGITAL LAMINATES

Trend high definition, high-pressure digital laminates symbolise stylish living, eco-friendly and offer an extensive range of decorative laminates for homes, offices and a variety of spaces, lending grace and grandeur for breathtaking interiors.

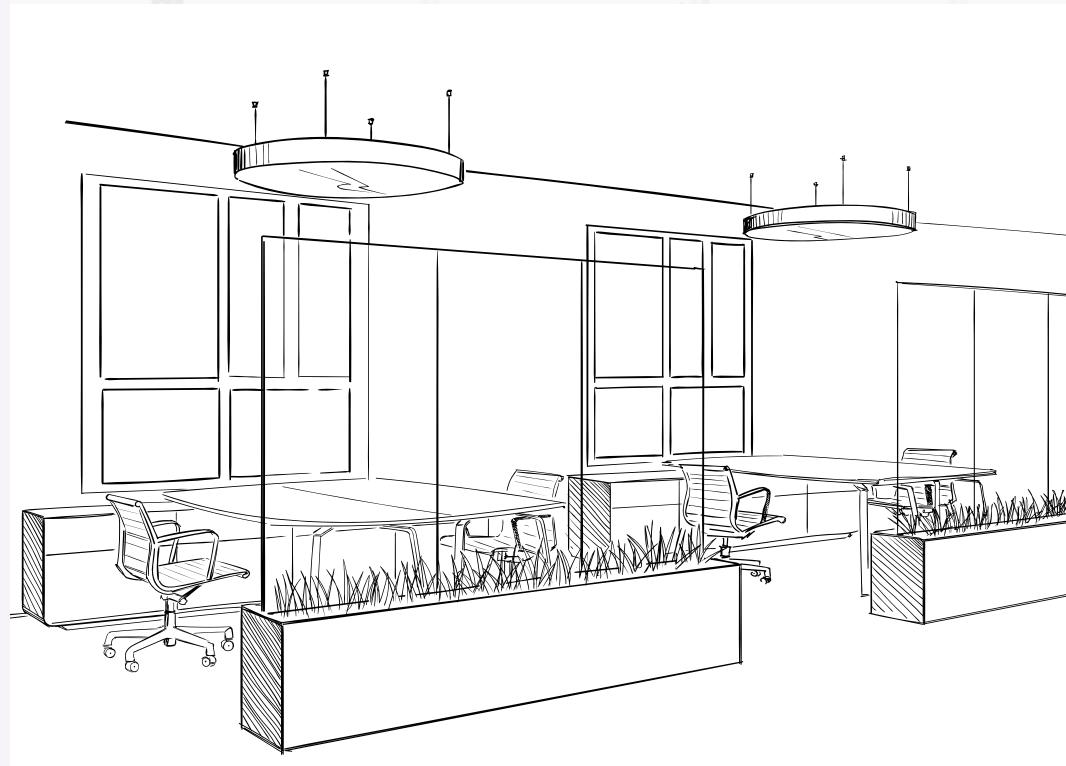

3D PVC PANEL

Trend 3D PVC Panels bring in overwhelming beauty. They give the interiors an unmatched and exclusive designer white wall impression. The panels are created from 100% natural materials, help transform walls into elegant, inspirational spaces and are about inspired elegance.

MODERN LUXURY

WPC & PVC BOARDS

Trend WPC and PVC boards are life long, environment-friendly, have an excellent performance. They are anti-UV, waterproof, anti-cracking and moth-proof. These high strength, low-cost boards have a low maintenance cost and usually last from 20 to 30 years.

EXTERIOR CLADDING

Trend cladding systems are not only aesthetically superior and unique in design, but are extremely energy efficient. They can be customised into any motifs that the architect wants for different requirements.

PVC FLEX HIGH GLOSS LAMINATES

Trend PVC Flex Hi-gloss Laminates bring in fashionable, appealing, elegant and durable solutions for home and office decor- an effectual way to obtain superior style and elegance in interior surface design.

WEIYA STONE(ALABASTER SHEET)

Trend PVC Flex Hi-gloss Laminates bring in fashionable, appealing, elegant and durable solutions for home and office decor- an effectual way to obtain superior style and elegance in interior surface design.

GLASS LAMINATES

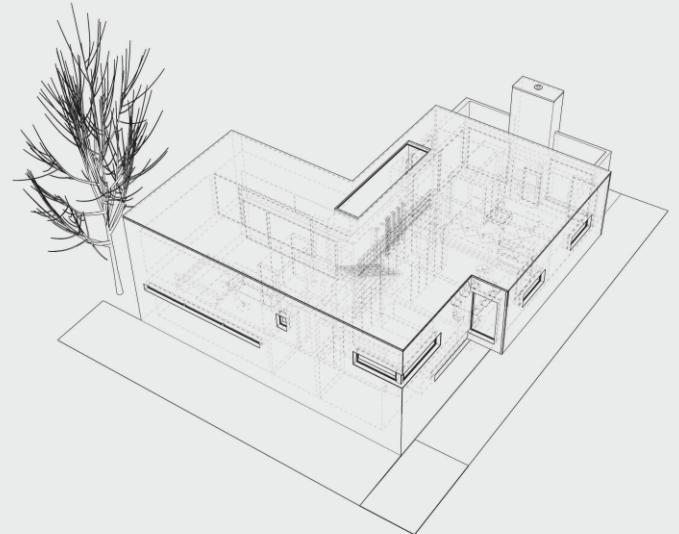

Trend Glass Laminates grasp together when crushed/ broken lending to the safety. Laminated glass is used when there is a possibility of human impact or where the glass could fall if shattered and also for architectural applications. Skylight glazing and automobile windshield typically utilise laminated glass.

ABOUT PVC LAMINATES

These are composite material made up compressing together the thin layers of flat papers, film, plastic resin and foil. The uppermost layer is printed with a decorative design pattern or color which is pressed by using a good amount of high pressure by an automated machinery.

PVC also known as Polyvinyl Chloride has a good form-ability also, PVC Laminates can be printed in different ways with varied options of designs, colors, design textures and various patterns.

These Laminates are carefully crafted to fulfill the interior decoration optimum needs of our esteemed clients and customers.

We maintain high quality standards. Our laminates are available in the industry leading colors, patterns and designs. These laminates are vastly used in wardrobes, furnitures, display cabinets also in kitchen cabinets.

Your interior is your testament to your vision and effort
Make it your tribute to your creativity...
a hallmark of your imagination... a statement to your aesthetic style.

Don't create with ordinary when you can create extraordinary with Trend Premium PVC Laminates

ADVANTAGES OF TREND PREMIUM PVC LAMINATES

ALL OVER QUALITY

Trend PVC Laminates can be bent up to 90 degree, which can be easily applied with no efforts to the edges so you don't have to concern about working with edge bands.

CARPENTER FRIENDLY

Our Premium PVC Laminates sheets can be cut, shaped and joined conveniently with normal carpenter's tool. No special devices and guides are needed.

ECO LOVING

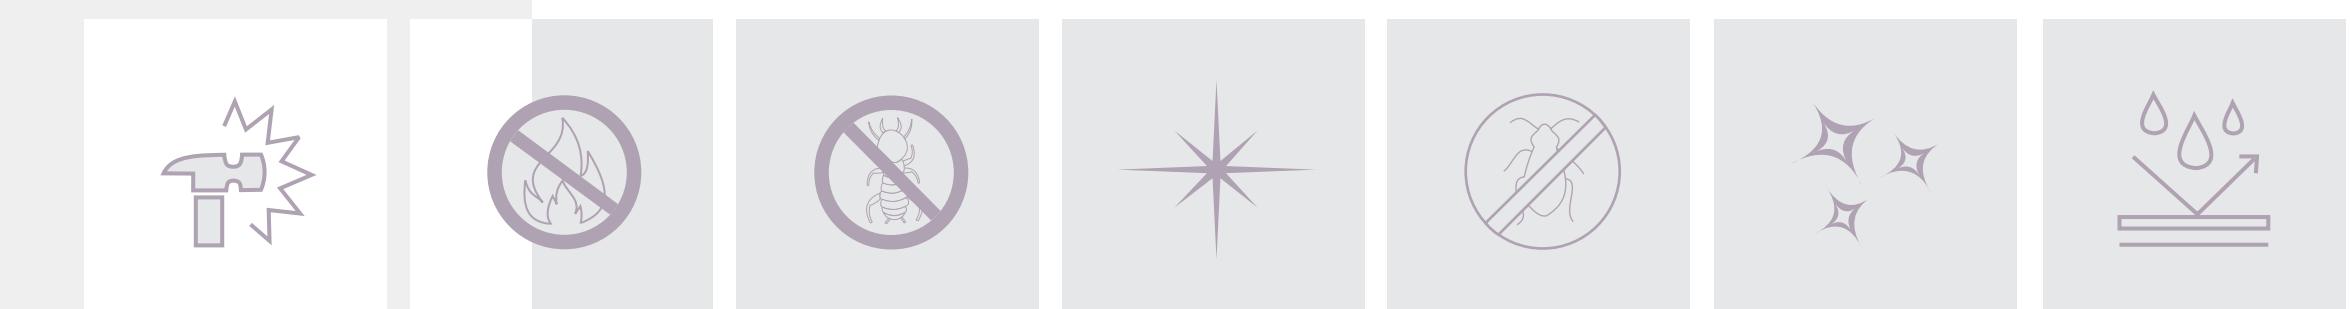

We consider nature, so that our products more. Our Premium PVC Laminates are made with non-toxic and eco loving materials which accommodates all international standards of safety.

LIGHTWEIGHT & DEPENDABLE

Our Premium PVC Laminates are assembled by good chemical bonding and mechanical strength, which makes our product featherweight and reliable for long life purpose.

FIRE RESISTANT

PVC is naturally fire resistant plastic as it has more chlorine than general purpose plastic. That's why PVC Laminates are extensively used in commercial and residential project.
